immediately in order to protect the health and safety of school building. Because of irregularities some bonds voted for such purposes can not now be sold, but can be sold and the moneys therefrom be made available at once if this act goes into effect immediately.

CHAPTER 13.

An act to add sections 2 and 3 to an act entitled "An act granting certain tidelands and submerged lands of the State of California to the city of Santa Barbara, subject to certain trusts," approved April 16, 1925, relating to tidelands and submerged lands, granting additional lands to the city of Santa Barbara, expressing the trusts and restrictions imposed thereon, releasing certain lands from trusts and restrictions heretofore imposed, and authorizing the conveyance of certain lands to the State, and declaring the urgency thereof, to take effect immediately

[Approved by the Governor January 29, 1937  In effect immediately]

The people of the State of California do enact as follows:

SECTION 1. A new section is hereby added to the act cited in the title hereof, to be numbered section 2 and to read as follows:

Sec. 2. All of the following described property, to wit: All reclaimed or filled lands or lands formed by accretions due to artificial obstructions lying within the city of Santa Barbara and seaward of the mean high tide line of the Pacific Ocean, as the same existed on April 16, 1925, and bounded on the seaward side by the mean high tide line of the Pacific Ocean now existing and extending easterly from Santa Barbara Point to a point on the easterly city limits line where said line intersects the mean high tide line of the Pacific Ocean; which was formerly tidelands and submerged lands, is hereby declared to have ceased to be tidelands, and submerged lands, and to be free from all trusts and restrictions imposed on said lands under and by any of the provisions of this act except that said city or its successors, shall not at any time grant, convey, give or alien said lands or any part thereof, to any individual, firm, or corporation for any purpose whatsoever; provided, however, that the city of Santa Barbara, or its successors, may use, lease, rent, or otherwise let said lands, in parcels not to exceed ten acres to any one person, firm or corporation and for limited periods not to exceed twenty-five years, with the right of the city to renew the same for any and all purposes which shall not interfere with the use of the tidelands of the Santa Barbara channel lying seaward of said lands. If, during such lease, rental or other holding, such holding shall interfere with the use of any of the tidelands of Santa Barbara channel lying seaward of said

3-A-50017
property for navigation, commerce and fisheries, or in any manner become inconsistent with the trusts under which said tidelands are held by said city, the city shall have the right to terminate such holding and compensate such holder for the loss incurred, not exceeding an amount to be agreed upon by the terms of the lease or other holding. There is hereby granted and conveyed to the city of Santa Barbara, a municipal corporation, and to its successors, all right, title and interest of the State of California in and to the reclaimed or filled lands or lands formed by accretions due to artificial obstructions hereinbefore in this section described, subject only to the restrictions and conditions contained in this section; except that, notwithstanding anything contained in this act, the city of Santa Barbara is hereby authorized to convey to the State of California that part of said reclaimed or filled lands or lands formed by accretions, to wit: Commencing at the most southerly end of the 14th course, as given in a description of that certain real property described in a deed to Thos. B. Dibblee dated December 16, 1876, and recorded in Book "R" at page 98 of Deeds of Santa Barbara County records; thence S. 57° 19' 20" E. 406.18 feet to point of intersection of a curve to the left having a radius of 170 feet, a delta of 56° 25', the long chord of which bears S. 85° 31' 50" E. 160.71' said curve being the first course as described in Parcel 5 in a deed from the State of California to the city of Santa Barbara dated August 15, 1934, and recorded in Book 314 of Official Records at page 460 of Santa Barbara County records; thence N. 66° 15' 40" E. along the semitangent of said curve 91.18 feet to the end thereof; thence N. 63° 16' 40" E. 122.25 feet to the true point of beginning; thence N. 69° 20' 40" W. 735.00' to point of beginning; upon the condition that the said property shall be improved by the erection and construction thereon of an athletic field and stadium for Santa Barbara State College, costing not less than fifty thousand dollars, within three years after the date of such conveyance, and such conveyance may provide for the forfeiture of title to said lands to said city in the event said condition is not complied with and also in the event that the use of said property as an athletic field for such State college shall ever be discontinued by the State, for a period as long as one year.

SEC. 2. A new section is hereby added to said act, to be numbered section 3, to read as follows:

Sec. 3. There is hereby granted and conveyed to the city of Santa Barbara, a municipal corporation, of the State of California, and to its successors, all of the right, title and interest of the State of California held by said State by virtue of its sovereignty in and to all the tidelands and submerged lands bordering upon and lying below the Pacific Ocean which are within the corporate limits of said city and seaward of the mean high tide line of the Pacific Ocean as the same now exists, to be forever held by said city and by its successors.
in trust for the uses and purposes set forth in subdivision a of section 1 of this act, and provided that said trusts are hereby extended to permit the use of said lands for public park, parkway, highway or playground.

There is hereby reserved however for the people of the State of California an absolute right to fish in the waters of said harbor with the right of convenient access to said waters over said lands. There is hereby further excepted and reserved to the State of California all deposits of minerals, including oil and gas, in the lands granted by this act.

Sec. 3. This act is hereby declared to be an urgency measure within the meaning of section 1 of Article IV of the Constitution, necessary for the immediate preservation of the public peace, health and safety, and shall therefore take effect immediately.

The following is the statement of facts constituting such necessity:

It is intended that there shall be erected and constructed on certain of the lands referred to in this act to be conveyed by the city of Santa Barbara to the State, an athletic field and stadium for Santa Barbara State College, and it is necessary that the lands be conveyed as soon as possible in order that work may be commenced promptly so that this athletic field and stadium will be available for use during the fall semester of the present year. The prompt completion of an adequate athletic plant at Santa Barbara State College will be of substantial benefit both to the students at the college and to the residents of the city of Santa Barbara.

CHAPTER 14.

An act to amend sections 5, 6, 7, 8, 10 and 11 of, and to add section 13 to, an act entitled "An act providing for the sale of certain State lands," approved May 19, 1915, as amended, relating to State lands, and declaring the urgency thereof, to take effect immediately.

(Approved by the Governor January 29, 1937. In effect immediately.)

The people of the State of California do enact as follows:

Section 1. Section 5 of the act cited in the title hereof is amended to read as follows:

Sec. 5. Demand is hereby made upon any and all persons who are or may become liable for the payment of the purchase price or any part thereof of any portion of the sixteenth and thirty-sixth sections of school lands, or of the five hundred thousand acres granted to the State for school purposes, or of the listed lands selected of the United States in lieu of the sixteenth and thirty-sixth sections, or losses to the school grant which are not subject to cultivation, for the payment of the full amount of the principal of the purchase price of said lands within five years after the first day of March, 1938.
