SECTION 1. Section 1 of Chapter 687 of the Statutes of 1935 is amended to read:

Section 1. thereof, to any individual, firm or corporation for any purpose whatever; provided, however, that said County of Santa Cruz may grant franchises thereon for wharves, docks, piers, slips, quays, bathhouses and bathing facilities, boathouses and any other public uses and purposes, and may lease said lands, or any part thereof, for any of said uses or purposes hereinabove enumerated, for any purposes consistent with the trust upon which said lands are held by the State of California, and with the requirements of commerce or navigation of said harbor, to persons, firms or corporations for a period not exceeding 50 years; provided, however, that said county may have the right to renew such lease or leases for the further term not exceeding 25 years, or to terminate the same upon such terms, reservations and conditions as may be stipulated in such lease or leases.

Nothing contained in this subdivision (a) shall be deemed to affect the validity or term of any franchise previously granted by the County of Santa Cruz under Article 1 (commencing at Section 6001), Chapter 1, Division 3 of the Public Utilities Code, and any such franchise shall be effective with respect to said land when title thereto passes to said county hereunder.

Every such lease shall provide for the payment of rentals to the County of Santa Cruz, which said rentals shall be either at an agreed figure, or shall be arrived at in such manner as may be mutually agreed upon, and provided for in said lease or leases.

Said leases shall also provide that at no time during their term, shall the said County of Santa Cruz be required to make any improvements on or for the benefit of the lease lands. Every lease so executed shall reserve to the board of supervisors and to the people of the County of Santa Cruz the right and privilege by ordinance duly adopted, to terminate, change or modify such lease or leases on such terms, reservations and conditions as may be stipulated in such lease or leases.

(b) That said harbor shall be improved by said county without expense to the State of California, and shall always remain a public harbor for all purposes of commerce and navigation, and the State of California shall have at all times the right to use, without charge, all wharves, docks, piers, slips, quays and other improvements constructed on said land or any part thereof for any vessel or other watercraft or railroad owned and operated by the State of California.

reservation and condition that the state may at any time in the future
use said lands or any portion thereof for highway purposes without
compensation to the county, its successors or assigns, or any person,
firm or public or private corporation claiming under it, except that
in the event improvements have been placed upon the property
taken by the state for said purposes, compensation shall be made to
the person entitled thereto for the value of his interest in the
improvements taken or the damages to such interests. If the county,
its successors or assigns, or any person, firm or public or private
corporation claiming under it, has filled any tide or submerged lands
and such lands are taken by the state for highway purposes, the state
shall reimburse the county, its successors or assigns, or any person,
firm or public or private corporation claiming under it, for
expenditures incurred in filling such lands.

(f) The provisions of this section shall not be construed to prevent
the County of Santa Cruz from conveying to the City of Capitola
prior to January 1, 1985, the tidelands and submerged lands referred
to in this section, subject to the trusts and conditions and for the uses
and purposes expressed herein; provided, that the board of
