

## 8.0 REPORT PREPARATION SOURCES

### 8.1 EIR PREPARERS

#### California State Lands Commission

*Christopher Huitt, Project Manager*

*Eric Gillies, Assistant Chief, Division of Environmental Planning and Management*

*Cy Oggins, Chief, Division of Environmental Planning and Management*

#### Environmental Science Associates

*Gary Oates, Project Director*

- M.A., Biology, University of Pennsylvania, B.S., Zoology, University of Rhode Island. 28 Years Experience

*Doug Cover, QEP, QA/QC Officer*

- All technical sections
- B.S. Meteorology, Pennsylvania State University, 1976; 35 Years Experience

*Dan Sicular, Ph.D., Project Manager*

- Executive Summary; Introduction; Project Description; Alternatives and Cumulative Projects; Mitigation Monitoring Program
- Ph.D., Geography, UC Berkeley, 1989; M.A., Geography, UC Berkeley, 1984; BA, Southeast Asian Studies, UC Berkeley, 1981. 22 Years Experience

*Chris Mueller, Deputy Project Manager*

- Alternatives and Cumulative Projects; Land Use and Recreation, Other Required CEQA Sections
- M.C.P., Environmental Policy and Planning, Massachusetts Institute of Technology, 1997; B.A. Earth Science and Environmental Studies, UC Santa Cruz, 1989; 14 Years Experience

*Brian Pittman, CWB, Senior Wildlife Biologist*

- Biological Resources
- M.S., Environmental Studies, San Jose State University, 1996, B.A., Biology, UC Santa Cruz, 1993; 15 Years Experience

*Jeff Caton, PE, San Francisco Bay Area Director, Renewable Resources*

- Mineral Resources
- B.S. Environmental Engineering, University of Michigan, Ann Arbor, 1986. Studies, Sonoma State University, 1996; 25 Years Experience

*Justin Gragg, Technical Associate*

- Hydrology and Water Quality
- M.S., Water Resources Management, Bren School of Environmental Science and Management, UC Santa Barbara, 2000; B.S., Biology, UC Davis, 1997; 11 Years Experience

- 1        *Matt Fagundes, Senior Associate*  
2            • Hazards and Hazardous Materials; Air Quality  
3            • B.S. Environmental Studies, Sonoma State University, 1996; 14 Years  
4            Experience

- 5        *Nicole Yeto, Associate*  
6            • Air Quality  
7            • B.A., Geography and Environmental Studies, UCLA, 2007; 3 Years  
8            Experience

- 9        *Robert Vranka, Ph.D., Senior Technical Associate*  
10           • Air Quality Review: Health Risk Assessment  
11           • Ph.D., Chemical Physics, University of Pittsburgh, 1967; 30 Years Experience

- 12       *Heidi Koenig, RPA, Senior Associate*  
13           • Cultural Resources  
14           • M.A., Cultural Resources Management, Sonoma State University, 2003; B.A.,  
15           Anthropology, San Francisco State University, 1993; 11 Years Experience

- 16       *Kelly Runyon, Senior Engineer*  
17           • Socioeconomic Effects and Environmental Justice  
18           • M.S., Mechanical Engineering, UC Berkeley, 1978; B.S., Mathematics,  
19           Michigan State University, 1971, 32 Years Experience

- 20       *Lisa Bautista, Document Manager/Word Processor*  
21           • Word Processing; 21 Years Experience

- 22       *Bill Boynton, GIS Manager*  
23           • GIS/Graphics  
24           • M.A., Geography, San Diego State University, 2000; B.A., Philosophy,  
25           University of California, Davis, 1993, 16 Years Experience

- 26       *Perry Jung, Graphics Manager*  
27           • Graphics  
28           • B.F.A., Design, UCLA, 1988; 22 Years Experience

- 29       *Ron Teitel, Senior Graphic Artist*  
30           • Graphics  
31           • B.A. Geography, San Francisco State University, 1988; 22 Years Experience  
32

### 33       **Applied Marine Sciences**

- 34       *Jay Johnson, Principal*  
35           • Entrainment Assessment, Benthic Survey and Analysis, Sand Mining Study  
36           Peer Review  
37           • M.S. Biology (Marine Ecology) San Diego State University, 1986,  
38           B.S. Oceanography, Humboldt State University, 1976; 33 Years Experience  
39

1 **Coast and Harbor Engineers**

2 *Scott Fenical, P.E., Vice President*

- 3 • Hydrodynamic Modeling, Morphological Analysis, Sand Mining Study Peer  
4 Review  
5 • M.S., Ocean Engineering, 1996; B.S., Mechanical Engineering, 1994;  
6 15 Years Experience

7 *Matteo Tirindelli, Ph.D., Coastal/Hydraulic Engineer*

- 8 • Hydrodynamic Modeling, Morphological Analysis, Sand Mining Study Peer  
9 Review  
10 • PhD, Coastal Engineering, Polytechnic of Milan, Italy, 2004; B.S.,  
11 Environmental Engineering, University of Florence, Italy, 1998; 9 Years  
12 Experience  
13

14 **Eagle Eye Editing**

15 *Lori A. Cheung, B.A., Environmental Planner*

- 16 • Technical Editing  
17 • Environmental Sciences, Emphasis: Biological Resources, University of  
18 California, Berkeley, 1986; 25 Years Experience  
19

20 **8.2 EIR INFORMATION CONSULTATIONS**

21 *Land Use and Recreation*

- 22 • Anjana Mepani, Assistant Planner, City of Martinez Planning Department,  
23 June 15, 2009 – Provided land use designation of the area where the  
24 offloading facility is located; confirmed that the current General Plan was  
25 adopted in 1973.
