Mission Statements

The mission of the Department of the Interior is to protect and provide access to our Nation's natural and cultural heritage and honor our trust responsibilities to Indian Tribes and our commitments to island communities

The mission of the Bureau of Reclamation is to manage, develop, and protect water and related resources in an environmentally and economically sound manner in the interest of the American public.

The California State Lands Commission serves the people of California in the stewardship of the lands, waterways, and resources entrusted to its care through protection, preservation, restoration, and economic development
