

Table of Contents

Appendix A: Mailing and Distribution List

Appendix B: Notice of Preparation (NOP), Comment Letters, Meeting Transcripts, and Location of Responses

Appendix C: Additional Alternative Route Analysis Documentation

C-1: Line 407 Alternative Route Analysis

C-2: Memorandum Regarding Line 407 Alternative Route M

Appendix D: Air Quality Data

D-1: Emissions Calculation Methodology

D-2: Off-Road Calculations

D-3: URBEMIS Output

D-4: Line 407 East Mitigated

D-5: DFM Mitigated

D-6: Proposed Project Greenhouse Gas Calculations

D-7: Alternatives Greenhouse Gas Calculations

Appendix E: Biological Resources

E-1: Line 406/407 Jurisdictional Delineation Reports

E-2: Line 406 Rare Plant Survey

E-3: Line 407 East Plant Report

E-4: Line 407 East Additional Rare Plant Survey

E-5: Line 407 West Plant Report

E-6: Line 406/407 Amphibian and Reptile Habitat Assessment

E-7: Line 406/407 Avian and Mammalian Habitat Assessment

E-8: Line 406/407 Fish Habitat Assessment

E-9: Line 407 East Dry-Season Sampling for Branchiopod

E-10: Line 407 East Wet-Season Sampling for Branchiopod

E-11: Line 407 West Valley Elderberry Longhorn Beetle Survey

E-12: Line 406/407 Biological Assessment

E-13: Special-Status Species Assessment Tables

E-14: County Goals, Policies, and Objectives Pertaining to Biological Resources

Appendix F: Cultural, Paleontological, and Historical Resources

F-1: Line 406 Archaeological Survey Report

F-2: Line 407 Cultural Resources Survey

F-3: Realignment Cultural Resources Letter Report

F-4: Line 406/407 Paleontological Survey

F-5: Historical/Architectural Survey Report

F-6: Cultural Resources Survey for the Four Alternative Routes

Appendix G: Geological Technical Study

Appendix H: Environmental Site and Risk Assessments

H-1: Environmental Site Assessment

H-2: Supplemental Environmental Site Assessment

H-3: System Safety and Risk of Upset Report

Appendix I: Noise Analysis
