Attention: Paul Lauer, Esq.,

Gentlemen:

In re: State Lease No. 145, P.R.C.

May we advise you that the State Lands Commission on
Monday, June 19th, considered further the bids of Beloiil
Corporation, Ltd., Lido Petroleum Company and the O.C. Field
Gasoline Corporation for the premises as described by the
attached mimeographed sheet. The Commission after considering
the matter thoroughly determined to accept your bid for Lease
No. 145, P.R.C. of the offshore property; subject to the follow­
ing terms and conditions:

a. All installations of permanent facilities,
other than actual pumping equipment and pipe
lines shall be located on the landward side of
the highway.

b. No pumping or lifting device other than a
hydraulic lifting device for producing oil from
a well shall be installed without first securing
prior written approval of the Commission.

c. Within forty-five (45) days after the com­
pletion or abandonment of any well or wells,
you, as Lessees, shall remove all derricks
and/or surface drilling equipment from the site
from which such well or wells had or have been
drilled.

d. All pipe lines on the oceanward side of the
highway, and beneath the highway, itself, shall
be buried beneath the surface of the ground in a manner which will keep them concealed from view at all times. The pipe lines shall be buried at such depth as to insure adequate protection against any hazards.

e. All pumping or lifting facilities from any producing well or wells shall be housed within a structure which has been designed and constructed in accordance with good architectural and building practice. Notwithstanding whether such structure shall project above the surface of the ground or shall be countersunk below the surface of the ground, such structure shall be architecturally in keeping with the aesthetic and scenic properties of the surrounding area and shall in no event be scrup and compatible therewith. Ypu, as Lessees, shall submit architectural elevations or designs of this housing structure for the approval of the Commission before the construction thereof shall commence; and in no event shall such construction commence until the State Lands Commission shall have approved such construction in writing.

f. It is hereby mutually agreed pursuant to the provisions of Section 27 of the awarded Lease that Section 2 on Page 3 of said Lease shall be interpreted to mean that the reasonable market price of the oil at the well as determined by the State shall be the total of the highest price to which a major oil company then buying oil of like gravity and quality in substantial quantities at the Rincon Oil Field in Ventura County is offering for oil of like gravity and quality at the well, plus any subsidy or extra payment which the Lessees might receive at any future time during the term of said lease. In all other respects, said Section 2 on Page 3 of Lease No. 145, F.R.C. shall have the same force and effect as to all other provisions, terms, covenants, conditions, agreements and stipulations therein contained.

It is hereby mutually agreed, pursuant to the provisions of Section 27 of the awarded Lease that such lease shall be and is hereby amended to add the provisions "e to f", inclusive, as above
set forth; and that in all other respects, all provisions, terms, covenants, conditions, agreements and stipulations shall remain the same. It is hereby further mutually agreed that all of the provisions, terms, covenants, conditions, agreements and stipulations as set forth in Items "a to f", inclusive, are material, and shall be hereafter considered as having the same force and effect as though such provisions, terms, covenants, conditions, agreements and stipulations were written within the bodies of the instrument, heretofore designated as Lease No. 145, P.R.O.; and it is further mutually agreed that failure on the part of the Lessees to observe all of the provisions, terms, covenants, conditions, agreements and stipulations shall be considered grounds for cancellation of Lease No. 145 P.R.O., as provided by law.

We are enclosing two extra copies of this letter, upon which you will please have authorized representatives of Beloit Corporation, Ltd., Lido Petroleum Company and O. C. Field Gasoline Corporation execute and accept these "mutual consent" amendments. At the same time that these executed copies are returned to this office, we would appreciate your enclosing also the faithful performance bonds which are required under the provisions of the lease.

Yours most sincerely,

CARLYLE F. LYNNON
Executive Officer
